

Sunday 1:30 P.M.

Dear Niece & Nephew, - 18 Dec - 1966

May I call you that? You seem just like you belonged to my list of nephews & nieces. I really enjoyed your visit and wished it could have been longer. I have thought of so much more & still writing history of Aunt Mary Ann (Father's second wife) but need something out of book Nellie Madson has. Yes you can find quite a lot, more names and long clipping of Harry Cluff which should help you & I thought of more names of families at Drain town, Elmer Mahoney, Worthington Mahoney - Walcott and there is a clipping of Wm Davis who lived there all his life - Hope it helps. It's in such a bad mess but it's the things that counts. Carol from Ethel & Miff Watson, said she had talked to you. Wish we lived closer so I could help you. All my out of state pkts are on their way and I'm nearly ready for Santa. I only have 55 gifts more to wrap, but I'll get them done in time. Have my trees up & decorated inside & out and the little ones love it. May you all have a Very Merry Christmas, this is my 7 today, to 2 grandsons in w
ove

4 missionaries - my son and I

today at 2:30 I'll finish them.
